Drums
Caitlin Kalafus

Lead Guitar/Vocals
Ben Spremulli

Bass/Keyboard/Vocals
Carly Kalafus

Get ready for our big Saturday night show featuring *Kicking Daisies*. Inspired by groups as diverse as Led Zeppelin, Paramore and Stone Temple Pilots, *Kicking Daisies* uses a variety of influences to create a sound that is unique. A mix of punk/pop and rock, *Kicking Daisies'* sound belies their young age. This 18 and under band hails from Milford, Connecticut and has already appeared on national TV and played before sell-out crowds in multiple venues across the country including most recently on the Disney Channel's *So Random* and at the Radio Disney Holiday Concert.

The 2010 winner of Radio Disney's Next Big Thing, *Kicking Daisies* most recent release *Dangerous* is gaining national attention and features the singles *Keeping Secrets* and *Breathing*. You can check out these tracks and others on the band's website at www.kickingdaisies.com or on Facebook at www.facebook.com/kickingdaisiesmusic, and YouTube at www.youtube.com/kickingdaisies. You can also go to www.minsitrails.com/Jambo2012 to learn more about *Kicking Daisies* and other great activities and events planned for Jambo 2012.

A Message from Chairman Bill Folk

Happy New Year to all Scouts and Scouters! It is really hard to believe that Jambo 2012 is only five short months away. The Jambo Committee has been working very hard to make this year's event the best one yet. We've got a great team of professionals and volunteers that have lined up a terrific program. It is really exciting to see all the plans coming together. I encourage everyone to visit www.minsitrails.com/Jambo2012 for the most up-to-date information on Jambo 2012. It's certainly not too soon to start thinking about warmer weather – make your plans now to attend Jambo 2012!

Cub Scout Events

The Cub Scout program is gearing up for the greatest Jambo ever! Joining us for the first time in 2012 will be our new friends from Bricks 4 Kidz. Bricks 4 Kidz® is an experienced based educational program focused on introducing children to principles of science, technology, engineering and architecture. Through the use of lab-focused exercises utilizing LEGO® bricks, Scouts will have the ability to learn, create and explore. The programs provide an extraordinary atmosphere for students to build unique creations, play games, and have loads of fun at Jambo 2012. The activities will be designed to trigger young children's lively imaginations and build their confidence. Scouts will have the opportunity to build a spinning satellite, a snapping alligator or even The Empire State Building. All the programs are designed around three main concepts: LEARN, EXPLORE and HAVE FUN!

Also, our friends from Crayola and Kutztown University will have their mascots strolling around the Cub Area. Have your cameras ready for some great photo opportunities! We are looking for volunteers to help run the slime making station and the spin art station. If you would like more information, or if your Pack is available to volunteer with the Cub Scout program, please contact Diane Lariar at 610-465-8564 or Diane.Lariar@scouting.org.

“Top Five Misconceptions about JAMBO”

By Craig Brady

Number 5 – It always rains at JAMBO. This year at JAMBO rain is not scheduled. I have checked the spread sheets from Cubs to Venturing and Special Events, and I could not find any rain, so there will not be any rain. It is simply not in the schedule.

Number 4 – It is always crowded at JAMBO. That depends on your definition of crowded. You know JAMBO will be the single most attended Boy Scout event in Eastern Pennsylvania in the spring of 2012. Well of course there will be a lot of Scouts attending, but there is lots to do. There will be Archery, Aviation, Black Smithing, MedEvac, Controlled Burns, an Early Morning Run, Fly Fishing, Geocaching, HAM Radio, Kayaking, Knot Tying, Monkey Bridges, Mountain Biking, Paint Ball, RC Airplanes, Robotics, SCUBA, Silver Bugle, Tin Can Stove, Tomahawk Throwing, Video Games and that was just the highlights.

Number 3 – JAMBO is just Minsi Trails Council. There will be units from Hawk Mountain Council, Minsi Trails Council (including our troops from New Jersey), Bucks County Council, Northeast Council and representatives from places I haven't heard of. You can meet scouts from all over. The best patch trading happens that way.

Number 2 – JAMBO doesn't have a band. Are you a Scout who is part of your school band or orchestra or do you play a musical instrument? If so, then be a part of our Scout Band and perform at Jambo 2012. For requirements and more information, contact Jim Roslevich at jaroslevich@verizon.net. You want to be on stage the same night as *Kicking Daisies*, right? They will be performing at Jambo Saturday night.

Number 1 — The top misconception about JAMBO – I can wait to the last minute to register. Get your registration in early, online registration is open now and will close May 1st or earlier if all space is filled.

Venturing Events

Nobody has more FUN at Jambo than VENTURING!

Venture Crews better get ready to get to Kutztown University for Jambo 2012! Even if your Troop is coming, you should be sending a Crew to Jambo as well! If you don't come with your Crew you won't be able to participate in the Venturing only events like our Friday night pool party and Venturing canned-food drive!

What are some new events we've planned for Venturers? Get ready for our 2nd Annual Egg Drop Contest, where you will build an apparatus to save an egg from the perilous fall from the highest point at Kutztown University (that we are able to get to!) For those working on their Silver Award, we will have the third annual Venturing Jambo Ethical Debate! Also, we will be turning Kutztown University into the

LARGEST game of CLUE ever! Just for Venturers!

After the BIG SHOW on Saturday night featuring *Kicking Daisies*, Venturing will be just getting started with the 4th Annual Jambo Venturing Dance Party! If you had a good time at Jambo 100's Dance Party, this year will be better than any we've put on before!

Stay Tuned to JAMBO NEWS for updated information on EVERYTHING VENTURING! Also, you can follow us on Facebook @ "Venturing at Jambo 2012". Finally, if you are interested in helping run a station event for Venturing at Jambo, please contact Jason Capone, Venturing Coordinator, at jacapone@gmail.com or Amy Frantz, 610-465-8558 or Amy.Frantz@scouting.org.
