Elective 4 - Electricity

Dear Akelas,

Tonight we will be working on Elective 4 Electricity. The scouts will learn about electricity safety, how it is generated, and how it is used on their home. After that, they will learn about how electricity flows and use this new knowledge to wire a circuit and build an electromagnet!

Reminder & Home Assignment: The Pinewood Derby is quickly approaching!! Continue to or start working on your Pinewood Derby cars.

Important upcoming dates:

Mar 20 - 7p Den Meeting
Mar 27 - 7p Den Meeting
Apr 3 - 7p Den Meeting
Apr 4 - 6p Pinewood Derby Car Inspection
Apr 5 - 9a Pinewood Derby
Apr 10 - Meeting TBD
Apr 17 - No Meeting (Happy Easter)
Apr 24 - 7p Dem Meeting

Have a great week!
Yours in Scouting,

Bear Leadership Team: Melissa Fischl & Shawn Regits
