Forensics

Dear Akelas,

Tonight the boys will be working on the Forensics adventure. They will learn about how forensics are used to help solve crimes. They will also analyze their own finger prints and examine four different substances. Finally, they will learn about careers that are available in forensics.

Home Assignments:

1. Please continue working on any remaining requirements to complete the bear badge. Our goal is to have all of our scouts earn the Bear badge and the Blue & Gold Banquet on February 17th.

Yours in Scouting,

Shawn Regits - Bear Leader

Nichole Regits - Assistant Bear Leader
