Bear Necessities 4  
Fur, Feathers, and Ferns 5 & 6

Dear Akelas,

Tonight the boys will be completing the last requirement of the Bear Necessities Adventure by helping to setup a tent. From there we will move onto using a magnifying glass to examine plants more closely and then learning about composting. We should have a very hands on and engaging evening! October is a very busy month for scouting so please check out the important dates below as well as [Cattypack94.org](http://Cattypack94.org) for show and sell opportunities.

### **Popcorn:**

Show and sell opportunities are available on the website and occur nearly every weekend. This is a great opportunity to sell a lot of popcorn in a short amount of time. This means scout credit!
