Holiday Fun

Dear Akelas,

The boys have been working hard all year long so tonight we are just going to have a little fun. We will be making Christmas cookies and doing a craft together.

Home Assignment: All den meetings to finish the Webelos Badge requirements have been completed. The remainder of the uncompleted requirements consist of prior home assignments and activities with Akelas. The boys have roughly 84% of their requirements completed for the badge. Please log into scoutbook.com to see what items remain for your scout and work to complete these by the end of January.

Reminder: No scouts next Thursday, Happy Holidays! Holiday break is great time to do elective achievements. Project Family is an adventure designed that they can do at home with you!
