Art Explosion 3b & Engineer 1-4

Dear Akelas,

Tonight we will be finishing on Art Explosion. The scouts will be using clay to sculpt a simple form. After they've completed their sculpture, we will transition into the Engineer Adventure and complete it over the next two meetings. As part of this adventure, they will learn what one type of Engineer does by performing research. They will learn about blue prints, create blue prints for their own project, and then complete their project. Finally, they will explore the various fields of Engineering and how they've helped us from our past, present, and future.

Home Assignment: None this week.

Reminder: The Pinewood Derby is on April 6th. Now is a great time to start building your cars.

Important upcoming dates:

Feb 28 - 7pm, Den Meeting

Mar 7 - 7pm, Den Meeting

Mar 14 - 7pm, Den Meeting

Mar 21 - 7pm, Den Meeting

Mar 28 - 7pm, Den Meeting

Apr 4 - NO Den Meeting

Apr 5 - (Friday) Pinewood Derby Car Inspection

Apr 6 - (Saturday 8am), Pack Event: Pinewood Derby (Fellowship Hall)

Yours in Scouting,

Shawn & Nichole Regits
