February 9, 2017  
Adventures in Coins 1 - 4

Dear Akelas,

Tonight the boys will be working on Adventures in Coins. We'll start by identifying the different parts of a coin. Next, they will identify the mint mark and the year the coin was made. The boys will also make a coin rubbing of a coin they find to be interesting. Finally, we will play a game where the boys can practice adding and subtracting coins. It will be a fun, hands-on evening!
