

# Do Your Best!

March 23, 2017

Grow Something 4A

Dear Akelas,

Tonight the boys will be continuing their work on the Grow Something Adventure. We will spend the evening building a terrarium. The boys will get to be very creative with this activity. Let's see what they come up with! We will also review our homework by comparing photos of their Marigold's growth progress as well as their completed autograph book. Just a reminder, next week is the Arrow of Light Crossover. Our scouts are highly encouraged to attend to support the AOL den in celebrating their accomplishments. Pizza and cake will be served.

### Home Assignments:

- Continue to care for your flower and bring either a picture or drawing of its growth to our next den meeting. We will continue this for the next 30 days.

Yours in Scouting,

Shawn Regits - Wolf Leader

Nichole Regits - Assistant Wolf Leader
