

Do Your Best!

December 6, 2012

Dear Parents,

Today's Requirements we worked on were for Your Living World, Character Connection 7a, 7b, 7c, 7e and 7f which are all discussion based centered around recycling, energy and pollution. We have to plan an outing to go out in our neighborhood to pick up litter to close out this Achievement. We also did 17a and learned an overhand and a square knot and 17e, how to tie two cords together using an overhand square knot. Please note the day change for the December Pack meeting is now on Sunday December 16th at St. Paul's Fellowship Hall from 3-5pm.

Yours in Scouting,

James Polles- Wolf Leader Melissa Fischl- Wolf Leader Shawn Regits- Assistant Wolf Leader
