

Do Your Best!

May 2, 2013

Dear Akelas,

Did everyone see the sign up sheet for the following week's picnic? Today we hopefully got to take our newly made kites for a spin and wrap up Elective 5 a and c. In addition, our scouts will be planning and laying out their very own treasure hunt! Each scout will get a chance to use each others maps to find their very own treasure, Arrrgh (Elective 18c)! While at the park we may also have the opportunity to point out some poisonous plants and identify 10 birds if time permits, Elective 18g, 13d.

PLEASE continue to check www.cattypack94.org for updates to the Scout calendar. Does anyone know of a place to store the newly acquired food trailer? Please see anyone in leadership. Cobbler donations: <http://www.cattypack94.org/home/cobbler-donations> .

Yours in Scouting,
