Paws on Path: 5, 7, & 8

Dear Akelas,

This den meeting we will finish the Paws and Path Adventure. This evening the boys will review the outdoor code & leave no trace, ID at least 2 birds/insects/animals, and draw a map of the scout room. These are all skills they can use on their 1-mile they will complete with you. Once you and your scout complete the 1-mile hike this required adventure will be complete!

The pack bake off event is coming up on November 5th. The boys can start brainstorming what delicious and creative baked good they would like to make. We always have a great attendance and an incredible turnout of wonderful baked goods made by the boys.
