Paws on Path: 1, 2, & 4

Dear Akelas,

Last week we finished the Running with the Pack Adventure (requirement). This is the boys first completed adventure as a Wolf Cub Scout, congratulations! Next we will be shifting gears to the Paws on Path requirement. As part of this adventure we must complete a 1-mile hike. We will be scheduling the date of the hike on an upcoming weekend that works for everyone. The remaining Paws on Path requirements will prepare the boys for the hike. This week they will be learning about the Six Cub Scout Essentials to take on a hike, the buddy system, and appropriate clothing to wear on a hike. Each of these requirements is critical knowledge for our hike.
